1. You are coming into a wide expanse in the new place, the new thing I am doing. You are coming into Me. You have come into Me and you have quested into Me and you have given/forsaken all. You have loved Me with a pure love, a true love. Your mind is upon Me. You capture/surrender thoughts, and you have slain them time after time. Barraged upon; emerged successful/success: yea the lamb slain.

2. What is success? I answer you. **I give you Me. I give you My all for you have given Me your all;** the lamb slain, the kingdom given. Forsaken not: you have all. Is there anything/anyone else? **Do I withhold even a jot or tittle of My thought, My power, My mind, My authority? No.**

3. I have given you all of Me and now you come into a new place in Me, a new expanse, a new thing I am doing and that is Me/Mine/wholeness/fullness; the oneness quested-thought, conjured up/attempted by some, yea imagined infinitely not, but longer than imaginable.

4. I love you and give you Me. Behold all things new I am.
I give you Me at sunset not, now is.
Then I come with a bang; earshot not.
Heart shot; and yea earshot with.
I love you.
Recording all.
I give you Me.

5. Thou art a priest after/in the order of Melchizedek; in/to other religions, all religions; religion without religion. See what I have said. Crossing all and every label; every denomi-marcation. I love you.

6. Raising My body now, you come into a new place; **Raising My head, You see a new place;** you operate in the new place/thing/fullness forever; And unto Me is born this now, in the city of David not, a king, a man-child, full grown/full grown not, yea Me coming forth in the might and power of the Son in full array of My regalia/Me; My scepter/power/authority; And who can banish the kingdom from who?
No one, save Me.

7. I receive all who surrender;
You as well/also.

8. Seeing Me now in Buddhist, Hindu, Islamic, and 'ists and 'isms, And various others in a culmination, not; but a menagerie, almost mosaic montage, that makes up my body of highly diverse, not, yea, ones, but yet surrendered in serenity and solitude; and not knowing Me, not; forsaking all and coming into Me for My words/kingdom; you beget Me/all in all.

9. See what I have said/given and think not to edit/bow to others' demands to omit My frame of reference, My frame and My reference; and My inclusions specifically of the range of acceptance in/of/being who I am in many afar and farther; inconsistent not, but yea My teaching/heart; Father's love and aboundment/abundance. I love you. I give you Me.

10. You cross all line and every boundary/times and labels and dimensions, and dimensionless are, and operating in the fullness of My Godhead, yea mightily and; who can stop Me? You/no one. We reign at midnight, not; before.

11. We reign, we reign, we reign in light, yea *in the advancement of My kingdom*; My kingdom comes forth on the earth and who shall stop Me? No one.
No darkness/lies will prevail.
No darkness will prevail.
No light will prevail of Me-not. No such thing.

No darkness can penetrate Me or reside not in darkness but light am.

12. You are coming into youth/leadership of Me, leadership of Me/youth, in leadership/youth. Yea you join the fullness of My abundant harvest mightily, being a machine, not; My flesh and blood all the way; permeating My flesh and blood.
See what I have said.

13. You raise spokesman-mighty for Me now in every vocation, planet, and planetary system.

14. Thou art a priest in the order of Melchizedek; expanse the heavens and who the heavens are; and is there anything beyond Me? No.

15. *I have given/raised you for such a time as this;* into the kingdom you see now, knowing it is closer than your breath. I thank you.

16. WeekWorks 14 dramatically on the precipice of falling/failing not; but yea superceding all others; seeding Me into forevers many and failing/falling never; but eternal in the heavens, seeding that which is only seed with My seed, of My seed, My seed being; yea you, your voice; transcriptions none/some and all, and watch Me, and record everything.

17. I come, I am. I love, I laugh. I cry, not in sorrow, but celebration; the Almighty is born again, and watch Me, My Almighty who shares all with My Almighty, and now the rest of the story is not shadowed.
Amen.

18. Ted, The Great Surrender; that is what you lead; unlike ever thought; My thought/My heart/My love for all My love.
Thank you for accepting Me.
Amen.
